OACD POSTER CONTEST GUIDELINES

➤ ELIGIBILITY

Public, private or home school students are eligible to submit one entry in their local conservation district poster contest. Students who live in one county and attend school in another county must enter in the county in which they attend school.

➤ DIVISIONS

Division K – Kindergarten	Division 7 – Seventh Grade
Division 1 – First Grade	Division 8 – Eighth Grade
Division 2 – Second Grade	Division 9 – Ninth Grade
Division 3 – Third Grade	Division 10 – Tenth Grade
Division 4 – Fourth Grade	Division 11 – Eleventh Grade
Division 5 – Fifth Grade	Division 12 – Twelfth Grade
Division 6 – Sixth Grade	Division 13 – Special Education

Note regarding division 13: This division is for students in kindergarten through twelfth grade who are enrolled in a special education class. Posters ***MUST NOT*** be labeled as “special education”. Poster should be labeled as **DIVISION 13**. Submitted posters will be judged in a separate division. The same guidelines used by the other divisions must be followed for the poster to be eligible. There is NOT a special education division at the national level; therefore, state winners will be judged against their grade division for national contest.

➤ CONTEST RULES

Any media may be used to create a flat or two-dimensional effect (paint, crayon, colored pencil, charcoal, stickers, paper or other materials) on regular posters.

Posters should be 14” x 22” (no larger – no smaller, not even by ½”) or they will be disqualified. This size is accommodating as it is a regular size sheet of poster board cut in half. Although it is recommended to use poster board, it is not mandatory, however students should be reminded that posters will be mailed to area representative for the area contest and then possibly again for the state and national contests and therefore should be durable.

Poster should be packaged so they remain flat when sent for judging.

All posters must be created by an individual student rather than a team of students.

The current year’s theme must be on the poster.

2024 Contest Theme - “May The Forest Be With You Always”

Although younger students will most likely receive help in planning from the parents or teachers, it is encouraged that each student do as much of the work as possible by him/herself. Entries completed by students in their handwriting and coloring will score better than those designed, drawn and colored by adult assistance.

It shall be left to the discretion of each district what information is needed on the back of every poster for their local contest, however once a poster is submitted to the area contest, each entry **must** have a completed, official NACD entry form, signed by a parent/guardian and must be attached to the back of the poster. The official NACD entry form is found on the NACD website: www.nacdnet.org in the stewardship and education contest section. If the official NACD entry form is not attached to the back of the poster at the area level, the area representative will not be allowed to submit the poster to the state's youth contest coordinator. If a poster is submitted to the state contest without the official NACD entry form the poster will be disqualified from judging.

➤ **POSTER EVALUATIONS**

Posters will be scored on originality, neatness, degree to which the poster expresses an idea, importance, practicality of the subject and overall effect. The posters are to be evaluated on the following criteria:
