# DEVELOPING THE NEXT GENERATION OF CONSERVATIONISTS

The Oklahoma Association of Conservation Districts & the Oklahoma Association of Conservation District Employees are proud to offer annual education contests to children ages 6-18.

## **There are 4 contest areas:**

- Essay
- Hand Drawn Poster
- Digital Poster
- Speech

The Youth Contests are a community activity where teachers, conservation districts and local agriculture producers work with children to develop their understanding of natural resource conservation.

These contests make a positive impact on the lives of the children in our communities

# HOW THE CONTESTS WORK

The Oklahoma Association of Conservation Districts has 84 state appropriated conservation districts and 4 tribal conservation districts, there are 5 areas within the state. Each conservation district holds its own contest at the local level for each contest area. After winners are selected, those children go on to compete in the area contests. There are 13 hand drawn poster contest divisions, 2 speech contest divisions, 2 essay divisions, and 2 digital poster divisions.

After each area has selected those winners, they go on to compete at the state contest level. The winners in the essay and poster contest areas are then submitted to the national level.

## THE NEED

Each year the contests cost over \$15,000 to host. This unique annual awards program has been established specifically to acknowledge, encourage and celebrate excellence amongst the outstanding children of our community by giving them the opportunity to gain valuable exposure and well-deserved recognition for their conservation knowledge and ambitions. OACD & OACDE greatly appreciate your consideration of support for this effort.

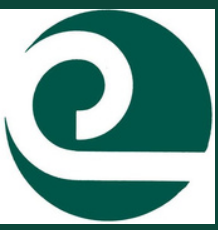

# SPONSORSHIP OPTIONS

Levels	Price
District Level	\$100
Platinum District	\$250
Partner	\$250
2nd Place	\$500
